### FALL COLORS

# SUMMER

Although Aspen is best known as a winter playground, a whole new world opens up with the summer wildflowers. We enjoy a microclimate all our own, where the skies seem just that bit bluer and the air that much more inviting—even by Colorado standards. Visit our Adventure Center to learn about these Five-Star options, like off-road tours and fly fishing trips (including those in our drift boat), and they'll be happy to make any arrangements. From excursions to exclusive programs, summer at The Little Nell offers endless adventure.

# FLY FISHING

Cast a fly for a rainbow, brown or brook trout on secluded Gold Medal waters of the Roaring Fork River, guided by our expert fly fishing guides.

Our guides will teach you casting techniques, how to read the stream to find fish, and how to present your fly to catch a big one. Trips include waders, boots, rod and reel.

## RIVER TRIPS

### Float

Climb aboard our custom dory boat, complete with built-in wine cooler, and experience a float and fishing trip down special sections of the Roaring Fork River that most never get to see.

### Walk & Wade

Wade into the Roaring Fork or Frying Pan Rivers and fish for rainbow, brown and brook trout amidst beautiful scenery.

### Off-Road Fishing

Ride up Aspen Mountain where you'll discover secret high alpine ponds filled with trout. Enjoy lunch prepared by our chefs at element 47.

## SPECIALTY TRIPS

### Helicopter Fly Fishing

Take a scenic helicopter flight over the Rockies to a private ranch to fish for trophy trout in a dream location. The afternoon includes a gourmet picnic lunch.

### Horseback Riding & Fly Fishing

An unforgettable adventure. Ride your horse through the Maroon Bells wilderness. After the ride, cast a line for brook and cutthroat trout. The afternoon includes a gourmet picnic lunch.
